

WANT TO SAVE? JOIN GUARDSMEN

Lieut. A. F. Livingstone Points
Out Economical Side of
Soldiering.

Lieut. A. F. Livingstone, recently assigned to Pennsylvania Avenue Recruiting Station, has drawn up a series of statistics which the officers at the station believe to prove without doubt that a man in the mustered militia can save more money than the average private citizen.

it mustered into the Federal service, a man receives \$15 monthly. Besides this, all his expenses are paid, including medical services, board, food, and all necessary clothing. This leaves the \$15 for luxuries or for saving; and to encourage the latter, the army conducts a bank, which pays three per cent interest and in which the men may place their money no matter where they are located, says the Lieutenant.

According to Lieut. Livingstone, a man making \$50 a month under ordinary conditions is forced to pay at least \$40 for board, room and clothing. This leaves him but \$10 and he is less likely to save when he is not under military discipline. "Regular habits and reasonable obedience will result in promotion to first class private, with pay of \$18 monthly, and continued good service will make a man a 'non com.' with a salary of \$21 and \$45," he said.

CHEMICAL PLANT IS IMPROVED

Alexandria Fertilizer Company Now One of Largest in Virginia.

Alexandria, Va., July 18.—Extensive improvements are being made at the plant of the Alexandria Fertilizer and Chemical Company, situated in the northeastern section of the city. The improvements include the installation of two large dissolving tanks built of re-enforced concrete. These tanks will be operated with large electric shovels. This work was heretofore done by hand, and it will prove a big time saver in the work.

In addition to the foregoing the miniature railway at the plant has been electrified, which will also greatly expedite the work.

Since the fire at this plant May 30, 1915, destroyed its furnace room, many other improvements have been made, so that it is now one of the most up-to-date plants in this section of the State. R. L. Payne is president of this concern and E. E. Carver secretary and treasurer.

It is expected that more than sixty Alexandria firemen will attend the annual meeting of the State Firemen's Association of Virginia, which will be held in Harrisonburg, Va., August 23, 24 and 25.

At a meeting of the Reliance Fire Company, held tonight, J. S. Douglas was elected vice president to the convention, and the following were elected delegates: J. Frank Ballenger, C. E. Davis, R. L. Finks, Harry E. Hinkley and W. F. Baker. The following were chosen alternates: Warren Zimmerman, F. B. Howard, G. Frederick Birrell, James H. McGowan and Frank Chilcote.

It is expected that this company will take thirty of its members to the convention.

Delegates will be elected later by the Columbia and Relief Hook and Ladder Company.

Miss Elizabeth P. White, one of Alexandria's oldest and best known residents, died at 3 o'clock this afternoon at her home, 523 South Washington street. Miss White's death followed a lingering illness. She was a daughter of the late Thomas W. and Elizabeth White. Miss White is survived by one brother, Thomas W. White, of the First National Bank. Her funeral will take place at 11 o'clock Thursday morning for her home. Services will be conducted by Rev. John Lee Allison, D. D., pastor of the Second Presbyterian Church.

James Ayler, 18 years old, son of Mr. and Mrs. James R. Ayler, of 210 South Henry street, died yesterday afternoon at the Alexandria Hospital of tubercular meningitis. The deceased was a native of Fauquier county, Va. The body was removed to Demaine's undertaking chapel and prepared for burial. His funeral will take place at 9 o'clock Thursday morning from St. Mary's Catholic Church.

David Grillbortzer's funeral took place this afternoon from his late home, 719 South Patrick street. Rev. John Lee Allison, D. D., pastor of the Second Presbyterian Church, officiating.

Several hundred persons from this city tonight attended the lawn fete given on the lawn of the residence of E. M. Adams, King street extended. The lawn was prettily illuminated with Japanese lanterns. Buses and automobiles were used in conveying the visitors to and from the place. Proceeds of the affair will be for St. Mary's parochial school improvement fund.

Alexandria Council, No. 5, Order of Fraternal Americans, will give its annual excursion to Colonial Beach tomorrow.

The Second Presbyterian Church Ladies Aid Society today gave its annual excursion to Colonial Beach.

The Alexandria Chapter of the American Red Cross, will hold a meeting at 10 o'clock Wednesday morning in the rooms of the Chamber of Commerce.
